## Discussion Questions:

1. What does v. 8 mean by the word “philosophy”? What “philosophies” direct and influence your life?
2. Consider the philosophies you gave in question 1. In what way does Christianity agree with each of those philosophies? In what way does Jesus fulfill those philosophies in a way that they themselves can’t?
3. How does regular repentance lead to flourishing in the Christian life?
4. What philosophies are tempting you? How can you fight against those and instead be captivated by Christ?
