His Glory, Our Story - John 15:1-17

Discussion Questions

1. How can you tell if Christ is at the center of someone's life?
2. What are some helpful practices you've found to help you consistently take time to study God's Word?
3. One definition of prayer is "answering speech". Based on our study in John 15:1-17 today, what would you like to say to Jesus? What would you like to ask Him for?
4. As Baptists, most of our "fellowships" involve food! (Not a bad thing!) In what other ways can we actively work together with other believers to build one another up? (1 Corinthians 14:12, 16; Ephesians 4:29; 1 Thessalonians 5:11)
5. We tend to talk about what we are excited about or have become convinced of (Acts 4:19, 20). What is the biggest hurdle you face in talking about your faith?
