## Current Electives!

### Interpreting the Inspired Word

Taught by Pastor Jon Pickens

Can you trust the Bible? This question hits the heart of many other questions surrounding the origins of Scripture and whether or not one can properly interpret what it says. This class is designed to help you understand the source of this special book and how to interpret what it says. The two major goals for this class are to help anchor one's trust in the inspired Word of God and to help boost confidence in Biblical interpretation. Biblical interpretation is perhaps one of the greatest skills a follower of Jesus can learn. Join us for this journey!

### Heaven - My Final Destination

Taught by Phil VanLaan

We all have questions about Heaven. Where is it? What will I do? Won't Heaven get boring? Our hope is to answer many of your questions concerning Heaven. Many of the concepts and beliefs you currently hold may be either confirmed or perhaps presented in a new way. I hope you are challenged throughout the study and, by the end, look forward to heaven in a way where you would desire no one to miss out.

### Ladies Book Discussion

Taught by Trish Pickens

How can the practice of intentional gratitude transform a soul? Join us as we read and discuss *One Thousand Gifts*, Ann Voskamp's personal account of how intentional gratitude brought healing. We'll be invited to "embrace a lifestyle of radical gratitude and slow down and catch God in the moment." (Please purchase your copy of the book prior to the first class.)

### Student Ministry Elective

Taught by Bob Berrington

High school and middle school students are encouraged to join Bob Berrington for an elective geared to students. They are currently studying prayer. High school students are also invited to jump into one of the adult electives. They will meet in room 22 in the main building.
