

Pastor Search

The Pastor Search committee has met several times over the month of October. The profiles (Pastor, FBC Church, and Community) are now finished. The committee has received, and is in the early stages of reviewing, five resumes; each with ties to West Michigan. Part of the review is listening to their sermons that are posted online. Please continue to pray for the committee as they continue through the search process.

The Pastor Search Committee is formally launching a web page that promotes FBC's opportunity for our next lead pastor. This web page has been created to be concise, yet robust in content and communication. The webpage can be found at: FBC's Pastor Search. You may also navigate to the web page by first going to www.fbclowell.org, next select "About Us", then select "FBC's Pastor Search". At the bottom of this web page, you will find that we have created an email to send questions to the Pastor Search committee. You may also use the same email to suggest questions for lead pastor candidates. Please take advantage of this email to engage yourself in our search.

Missions

The Missions Committee is seeking feedback on the recent conference held in October. You'll find surveys in your life group rooms. Please take a few minutes during Life Group this Sunday to fill them out. You can give them to your Life Group Leader to be turned into anyone on the Missions Committee or to be left at the Welcome Center for Gloria Miller to pick up. Thank you for your help.
